SUBJECT : Cancellation of Special Youth and Student Operations Seminar

REFERENCE : OTR Regulation No. 25-11, Cancellation or Change in Dates of Courses

1. The purpose of this memorandum is to obtain approval for the cancellation of the Special Youth and Student Operations Seminar for the WH Division which was tentatively scheduled to take place from 12 through 16 October 1964.

2. Two Y & S Ops Seminars were scheduled for our program during FY 1965. This requirement was given us by the WH Division based on the results of the first Seminar which was presented in May of this year. We have contacted [redacted], recently appointed [redacted] WH, who has indicated that his Division has no requirement for such training at this time. [redacted] has indicated that in view of projected personnel changes and new operational programs in his Division that there will probably be a training requirement in the spring of 1965. We have scheduled such a course for 29 March through 2 April and will explore the possibility of enlarging the attendance to include participants from other divisions.

3. Request your permission for cancellation of the special Youth and Student Operations Course for the reasons stated in paragraph 2 above.
